Learn2Swim Week

Paddles Swim School is pleased to be a participant again in the national Learn to Swim Week initiative which is supported by former Olympic swimming coach, Laurie Lawrence. The aim of this initiative is to give every child in Australia aged under five, the chance to learn to swim this season and remind everyone about the importance of water safety. Our Learn to Swim Week will be held from 30 September to 4 October and we are giving children who have never registered at Paddles, **TWO FREE SWIMMING LESSONS** during this offer period. Children must be aged 6 months to 5 years old (i.e. born after 30 September 2014)

Kindergarten and Childcare Presentations

As part of our community service, Paddles Swim School offers kindergartens, child care and family day care centres free water safety and survival presentations. These 30 minute sessions involve lots of games and activities which are presented by our experienced teachers including those from the local life saving clubs. If you believe your child's centre will benefit from such a presentation, please refer us to them. With summer around the corner, we just want to ensure all children and parents are safe around water.

TERM 4 2019 DEPOSITS DUE

A \$50 deposit per child is due by Sunday 8 September to secure your child's spot for Term 4. If your child is not returning for Term 3 please inform Front Desk immediately so that your child's spot is available for other students. Your cooperation is greatly appreciated.

30 September to 4 October 2019

HOLIDAY PROGRAM

Our unique Holiday Program is focused on developing a single stroke technique. Each student will choose one swimming stroke (Freestyle, Backstroke, Breaststroke or Butterfly) and the Program will group students by age and the stroke chosen. This a 5 day intensive program with half hour classes each day. No make-up classes will be permitted. If a student wishes to develop more than 1 stroke, the student will need to enrol in another 5 day program. Cost is still **\$70 for the 5 day program**. For any students who have little or no swimming abilities, we also offer water safety classes as well in the Holiday Program. For further queries or to enrol, please email or call us.

30 September to 4 October 2019
